

ACES Mentor Application

Mentoring is a special partnership between two people based on commitment to the mentoring process, common goals/expectations of the partnership, mutual trust and respect. Mentoring is both a “get and give” experience with the goal of providing a rich and rewarding experience for both partners.

Please share your information so the program manager can match you in a mentoring relationship. Both you and your recommended mentee will have the opportunity to agree to the pairing before you are assigned to work together. Once matched, contact is required at least once a month with your mentee.

Please submit your application to Patricia Cole at patriciacole@copydesk.org.
